

TMZ Breaking News...

Isn't it weird that vegans have more complicating factors to dating/marriage?

Wouldn't it be shocking if Sarma was brought back into the public eye via current dating tabloids?

Netflix Partners with TMZ (Or Kris Jenner) to Reignite dating rumors around former Hot Celebrity Chef Sarma Melngailis.

Sarma Melngailis has made her rounds. From her former business partner to Alec Baldwin to her celebrity lawyer. Let's continue the rounds to El Chapo (her celebrity lawyer's client), Pete Davidson (because every woman in Hollywood is doing it), Kanye West (just because), and Bobby Flay (to bring it back to the world of food). This is all fake news. But the public doesn't care. They'll make Sarma a trending topic by daybreak.
